Academic & Advanced Exams are a part of curriculum which was conducted as per the calendar and marks SMS also were sent to your registered mobile numbers.

We are conducting Detailed Assessment Exam to your ward in the subjects English, Mathematics & Science. Reports of the test will be given to you at the earliest.

We are glad to inform you that our wisewoods students are going to take part in CBSE cluster games during the vacation.

As you are aware that the learning is endless and is a continuous process, so to keep intact with our young minds(i.e. your wards) my teachers have designed **productive works** in English, Mathematics, Science and Social Science which have to be completed by the students and submit to the concerned teacher on the re-opening day.

Many more new things are in the offing in future.

With Best Wishes.
